MISSION STATEMENT

The mission of Latino Community Practice is to prepare students for culturally and linguistically competent leadership in their professions and to create a community of learners dedicated to the advancement of knowledge and best practices to serve the Latino community.

La misión del Programa de Práctica con la Comunidad Latina es preparar estudiantes para liderazgo lingüísticamente y culturalmente competente en sus profesiones y crear una comunidad dedicada a avanzar el conocimiento y a desarrollar las mejores prácticas para servir a la comunidad Latina.

LATINO COMMUNITY PRACTICE GRADUATE CERTIFICATE AND M.S. IN MANAGEMENT DEGREE

The Latino Community Practice Graduate Certificate

The Latino Community Practice Graduate Certificate strengthens your professional knowledge and skills to serve the fastest growing population in Connecticut and the United States and prepares you for leadership in the Latino community. The certificate offers:

- Courses in Latino cultures, professional practice, research, and advanced Spanish
- Support in developing a community program, research, or evaluation project
- A specialized professional credential
- Networking with Latino community and professional leaders
- 12 credits towards the Master of Science degree in Management

Masters of Science in Management

M.S. in Management is a 36 credit program designed to develop proficiencies in leadership, problem solving skills and organizational management. You can apply your 12 LCP credits towards this masters program to receive both your M.S. in Management and your LCP certificate.
