New: Community College
Scholarships worth up to $30,000!

Saint Joseph College proudly announces scholarships that recognize the accomplishments and academic achievements of transfer students coming from Connecticut’s community colleges. These scholarships have been created to reward full-time Women’s College transfer students with 24 or more credits from a Connecticut community college who plan to study a qualifying program in Humanities, Natural Science, Social Science, Education or Business at SJC:

- Community College Presidential Scholarship — $7,500
- Community College Achievement Scholarship — $5,500
- Community College Transfer Award — $3,000

Transfer this fall!

The TRANSFER TEAM is ready to guide you through the process of becoming a student at Saint Joseph College. We are a group of professionals from the offices of admissions, student financial services, and academic advisement. Our goal is to get you enrolled and started on the rest of your life. All appointments with financial aid and our academic advisement department are one-on-one, so you receive personalized attention throughout the process.

Transferring to Saint Joseph College is easy:
1. Apply online at www.sjc.edu and we will waive the $50 application fee.
2. Submit official transcripts from high school and all colleges you have attended.
3. Submit an essay, letter of recommendation, and schedule an interview - all strongly recommended, but not required.

Applications are reviewed on a rolling basis. Once an application is complete, you will have a decision from SJC in one to two weeks. Following acceptance, you will meet with an academic advisor to review your transfer credits and register for classes.

Saint Joseph College has generous transfer credit policies that allow for a seamless transition to your bachelor’s degree at SJC. To view the most recent list of course equivalencies with CT Community Colleges, visit www.sjc.edu/articulation.
Yes! Free tuition for Veterans
SJCC and the Yellow Ribbon Program

Some students are surprised to learn that veteran’s benefits can be used at a private college! Through Saint Joseph College’s participation in the Yellow Ribbon Program, veterans and their dependents who receive benefits under the new GI Bill are eligible for a full tuition waiver! Your service experience will also be reviewed in awarding college credit. Learn more about SJC and our more than 20 approved undergraduate programs: www.sjc.edu/veterans

Nursing News!

Transfer Nursing Seats Available - Act Now!

- SJC is currently accepting transfer applications for our four-year nursing track on a space available basis. If you’re interested in our bachelor of science in Nursing program, check out the Nursing Information Packet online at www.sjc.edu/transfernursing.
- SJC’s tradition of excellence in Nursing continues - For the 2009-2010 year, SJC achieved a 95% pass rate for the NCLEX; this is the highest score in Connecticut, and is above the national average.
- SJC is also excited to announce a NEW RN to B.S. in Nursing Dual Admission program with Connecticut’s community colleges! Complete your bachelor’s degree in Nursing with a focus on multi-cultural health through this unique program: www.sjc.edu/weekend-nursing.

SJC’s President Pamela Trotman Reid honored by The Hartford Business Journal

The Hartford Business Journal publishes an annual issue recognizing the accomplishments and contributions of powerful women leaders to the greater Hartford community. This year, Saint Joseph College’s president, Dr. Pamela Trotman Reid, was selected as one of “The Eight Remarkable Women in Business” for 2010.

Among President Reid’s many accomplishments to enhance the greater Hartford community is the new Saint Joseph College School of Pharmacy. The new Pharmacy program addresses a critical, workforce need and complements the College’s high quality programs, especially in health and human services. Student enrollment in the School of Pharmacy is anticipated for fall of 2011.

Human Resource Management Concentration

Explore strategic issues in human resources with leaders and practitioners in the profession. You will gain insights into human behavior, organizational development and business ethics and prepare for career advancement in a dynamic growing field.

Program Spotlight: Accounting and Business Management

Enrich your future with a bachelor’s degree in Accounting or Management from Saint Joseph College. Wherever your career path may take you — private industry, public service, or the not-for-profit sector — you will be prepared to lead your organization towards a more just and sustainable world. Being successful in business today requires the ability to think strategically, to communicate effectively, and to connect people to performance for bottom line rewards. Today’s business leaders must be entrepreneurial, diverse, and collaborative. At Saint Joseph College, students are afforded the opportunity to gain all of these skills and more through outstanding undergraduate programs and internships. Accounting and Management are offered in both the Women’s College, and the Weekend Program for Adult Learners. SJC’s Accounting students complete all the educational requirements needed to sit for their CPA license exam by the time they graduate. In addition, all Accounting students in good academic standing are permitted to enroll in up to two graduate-level courses their senior year. These students are also considered for guaranteed enrollment into our master of science in Management program. The graduate application fees are waived, and no entrance examinations (such as the GRE or GMAT) are required.

Did you know …

… that employment of accountants and auditors is expected to grow by 22 percent between 2008 and 2018?

Visit campus for our Transfer and Transform Application Workshop on July 28, 2010 to learn more about our Accounting and Management programs; meet our faculty and talk with the academic advisement team about how we can make a Saint Joseph College education work for you!
