238 Steele Road
West Hartford, CT 06117
Phone: 860.231.5569
Fax: 860.231.5581
Email: kperrotta@usj.edu
www.usj.edu/syc
Activities will include:

- creative and dramatic arts
- music and movement
- science and nature
- water play
- exploration & discovery

...and much, much more!

Our camp is designed for children 3 to 5 years of age with previous preschool experience. They must be no more than 5 years old at the onset of the session enrolled.

Camp offers four, two-week sessions. An early morning drop-off is available for an additional fee.

The School for Young Children Camp is back for another fun-filled summer!

Camp Dates and Sessions

Let’s Get Creative
Session 1: June 22—July 2
*No camp on July 3rd

Campers will experience two weeks of fun with art, dance, music, and movement! Each day children will paint with different materials, play instruments, and move to the beat of their own music!

Mix it Up!
Session 2: July 6th —July 17th

Children love to cook and create. This session combines the best of both. Campers will mix, measure, stir, and cook tasty snacks. Opportunities abound to make different concoctions used to sculpt, paint, create, and explore.

On the Move
Session 3: July 20th—July 31st

Hop, skip and jump your way to this popular session of camp. Children will enjoy a bike rally, obstacle course, and activities on the field. Special moving objects will visit...a fire engine, street sweeper and limousine—just to name a few!

Open the Door, Let’s Explore!
Session 4: August 3rd—August 14th

Children will delight in discovering the wonders of nature through an abundance of hands-on experiences. Five acres of outdoor space with a beautiful nature trail and a wide open field await children’s arrival!

“Someone just asked me what my favorite thing about summer camp is. I can only think of one thousand answers....”

For registration information, please contact Kimber Perrotta at 860.231.5569 or kperrotta@usj.edu.
